

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **In re Levi Kuntzman Minor**
Docket No. **278443**
L.C. No. **07-032274-GM**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The motion to waive fees is GRANTED for this case only.

The application for leave to appeal filed June 4, 2007, as to lower court number 07-032274-GM, is DISMISSED for lack of jurisdiction. Even though the lower court 07-032274-GM, does not appear on the application and appellant did not provide an order for 07-032274-GM, appellant clearly is trying to appeal the denial of a guardianship by asserting the trial court erred in denying the petition for guardianship. However, a guardianship matter is filed in probate court, not the family division of circuit court and any appeal must be filed in circuit court, not the Court of Appeals. See MCR 5.801(C)(1). If appellant has not already done so, appellant shall file an application for leave to appeal in docket number 278442 limited to the issue of whether the family division judge erred in denying the motion to intervene.
